To the membership of the Salinas Bowmen:

2019 is fast approaching, so it is time to consider renewing your membership with the Salinas Bowmen's Club. We hope you have been enjoying the benefits of your membership this year. Your participation and continued membership is important to us.

Your current membership will end on December 31, 2018. We are sending out the renewal notices early to remind working members that the last opportunity to earn working hours will be in November. In order to continue to receive the benefits of being a club member in good standing, you must turn in your validated service hour log and renew on or before December 31, 2018. If for any reason you have not met your commitment to complete your hours, you can remain a member in good standing by paying the the difference between the working membership and a non working membership fees for 2018 along with your 2019 membership renewal fees.

We have enclosed a checklist of the necessary steps needed to renew your membership and the appropriate forms. If you need additional copies, they can be downloaded at www.salinasbowmen.org or picked up at Jim Cox Adventures. If you do not renew by the deadline, your current membership will expire and you will have to apply as a new member and go through the new member approval process.

Participation in club events has dropped off considerably this year. Remember, this is your club and active members make it successful. If you'd like to see something different from our normal monthly shoots, we'd like your input. We want to host activities that members enjoy. Can't attend meetings, feel free to grab a board member or send us an email at info@salinasbowmen.org. Want to see some changes? We are currently taking nominations for Board members. There's no better way to effect change than by getting involved.

Renewal membership cards for the 2019 membership year will be mailed to you.

Sincerely,

*Judy Burditt
Club Secretary
Salinas Bowmen Inc.*
