# Leroy Garner Charity Shoot

The Leroy Garner Charity shoot will take place on September 22nd at 9:00 a.m. The event will include 28 3D targets at marked yardage. Two arrows for each target and shooters can purchase unlimited mulligans at $1 a piece on the day of the event.

We are still in need of volunteers to help with parking, cashier services, BBQ and concessions, scoreboard information, and runner/floater assistance during the event. If you are available to help out on the day of the event, please contact Jim Cox at 831.769.0200 or send an email to info@salinasbowmen.org.

Members and guests can register online for the event through Active.com until September 20th. Once you are on the Active.com homepage, search for Leroy Garner and the event will appear.

Our goal is to raise at least $2,000 for charity this year, so let's get out there and support a good cause!

New self-sealing foam targets are in the works to replace the 10 paper targets that were used in the past for close range shots. We have teddy bears, skulls, pumpkins, and bunnies. . .oh my!

# Halloween Flashlight Shoot

I know. . .I know! Summer isn't over yet, and we still have a number of events in store, but it's never too early to start planning for the annual Halloween Flashlight shoot!

This is a family-friendly member event with costumes, decorated targets, flashlights, glow in the dark items, and a pot luck dinner. Please make sure to mark your calendars to attend this year's event! It's going to be ghoulishly fun!

## SATURDAY< OCTOBER 19TH

Gates will open at 3:00 p.m. Fun and games will start at 4:00 p.m. followed by a pot luck dinner at 6:00 p.m. The shoot will start at dark. **The event is FREE!**

If you are interested in decorating a target for the event, please contact Jim Cox at 831.769.0200 or visit him at Jim Cox Archery Pro Shop in Salinas. Targets should be decorated by 3:00 p.m. on event day.

# 7 Targets in Need of Adoption

We rely on the support of our members keep the range in pristine condition. This includes the maintenance of our targets. If you are in need of work hours, or if you are looking for ways to help out, please consider adopting a target. If you have a working membership, adopting & maintaining a target will cover your work hours for the year.

**Available targets: 3, 8, 17, 19, 21, 23, 24**

If you have already adopted a target, please make sure to maintain your target, which includes the path from your target to the next target, on a monthly basis. Board members will be surveying the range on a regular basis for proper target maintenance. Please visit Jim Cox at Jim Cox Archery Pro Shop or contact him at (831) 769-0200 for more information.

# Buckles & Scalps

The annual **Belt Buckle Contest** is still underway! Make sure you sign up for the contest at Jim Cox Archery Pro Shop before you head out for your next hunt. It only cost $20.00 to sign up!

To participate in the **Scalps Contest**, you can purchase scalps at Jim Cox Archery Pro Shop for $1 a piece to make bets with fellow club members on anything having to do with arrows. Who can get closer to the bullseye? Who can earn a better score in a club shoot? At the end of the year, the member who turns in the most scalps at Jim Cox Archery Pro Shop will be awarded a unique shrunken head trophy!

Please visit Jim Cox at Jim Cox Archery Pro Shop or contact him at (831) 769-0200 for more information.

# Range Updates

During a recent work party, members volunteered their time to help cut sections of the fallen tree near Target 12. This was no easy task and we appreciate the support and time of our members. Some of the wood will be relocated to the BBQ pit to be used for future events.

Following the Leroy Garner Charity Shoot, a dumpster will be at the range temporarily to remove the remnants of the demolished playground. Once the playground materials are removed, the focus of the Board will be to create a renovation plan for the picnic and former playground area.

## Important Reminders!

- Members and guests visiting the range must sign in and out in the range binder.
- If you have non-members joining you at the range, they must sign a liability waiver form at the range, even if they are not shooting. Please place the signed waiver form and guest fee in the range box.
- If you complete work hours at the range, please record the information in the range binder or place the range maintenance form in the range box.
