## TIME IS RUNNING OUT TO COMPLETE YOUR HOURS!

Over half the year is over and soon it will be time to renew your membership for the 2017 shooting season. Only about 30% of working members have completed their hours. So this is your friendly reminder if you signed up as an individual working member you pledged to complete 8 hours and Family Working Members pledged to complete 12 hours of volunteer service to our club.

But don't worry there is still time to complete your pledge with many opportunities coming up: **Work Parties** the next four will be held on August 21st, September 18th, October 16th and November 20th. Work Parties start at 9:00am. **Club shoots and events** help is always needed for set up, take down, BBQing or running an activity. Check the schedule for upcoming events and opportunities.

Remember, you pledged to complete the minimum number of volunteer hours in service to the club before the end of the membership year (December 2016) and to turn in your validated member service hour log. Failure to complete hours will result in the loss of being a member in good standing. You may be returned to a member in good standing if non working membership dues are paid before the end of the current membership year.

## HALLOWEEN FLASHLIGHT SHOOT

If you've never been to our **Annual Halloween Flashlight Shoot** you have been missing out! Club members volunteer to decorate targets with a Halloween theme. Club members, their families and guests enjoy an afternoon of fun activities, like a scavenger hunt, shooting milk jugs and our moving target. Then everyone lines up for a delicious pot luck dinner and waits for the sun to set so we can get our flashlights out and shoot the decorated targets (lighted nocs suggested). Targets are unmarked and scoring is unknown until after you shoot. But don't worry, awards are given out to the highest shooter and the lowest shooter!

Save the Date  
Saturday, October 29th  
Don't Miss out on the Fun!
